

Upcoming Events:

Saturday, September 19th at NASA Ames

Club launch at NASA Ames, ceiling 1000 feet, A-G impulse. The contest scheduled for this date has been cancelled, sorry.

Saturday, October 17th at NASA Ames

Club launch at NASA Ames, ceiling 1000 feet, A-G impulse.

LUNAR launch operations at Ames run from 09:00 to 13:00 on the tarmac at Moffett Field. As always, check the LUNAR website (<http://www.lunar.org>) and the LUNAR Hotline (925-443-8705 after 7 AM on launch day) for updated launch information. Driving directions to Snow Ranch and NASA Ames launch sites are available on the LUNAR website.

Thursday, September 24 (date changed): Club Meeting: Kit-Bash a Quest Force 5!

The next LUNAR Club Meeting will be held Thursday, **September 24, 7:30 PM.** (Note the date change, this is one week later than originally scheduled.)

We will be doing a build session, a kit-bash of the Quest

Force 5. Start with the parts in the Force 5 kit and make something new. Everyone is encouraged to bring extra parts. Come join the fun creating your unique design! The price for the build session is \$10, to cover the cost of the kit.

Meetings are held in Community Room B of the Livermore Public Library, 1188 South Livermore Avenue, Livermore, CA. See the LUNAR website for detailed driving directions.
